

Introduction to Beading

In this workshop, discover how beading can add a designer touch to your clothes and accessories.

Learn beading stitches such as daisy chain, brick and peyote, and also how to use beads in netting and fringing.

Try your hand at beading on fabric with back stitching and couching, and see how to weave beads on a loom.

Learn how to string beads by using big beads to make a basic bracelet and adapt the pattern to all sizes of beads.
