

Bags & Purses

A woman's purse is a necessity, but that doesn't mean it can't be full of wildflowers or graphically modern.

Two lines are presented here: the quilted and hand embroidered envelope clutch, and the all-purpose zippered purse in bold graphic hand-painted designs. All hand washable in cold water.

- Fabric collage
- Free form machine quilting
- Hand embroidery
- Fully lined
- Cold water washable
- Easy tote 9" x 6" size

Note: The quilted bags are made from fabric scraps, similar to those old crazy quilts. Because of that, no two are exactly alike, but overall color combinations can be specified.

- Hand-painted
- Zipper closure
- Handy clutch size
- Optional handle
