

Placemats

Hand-painted using quality textile paints in bright, energetic colors, some exuberantly stamped, these placemats can double as tray cloths or dresser cloths.

Bold enough for a modern decor yet also artistic enough to place beneath antique ceramics, these are multi-talented textiles for the home.

*Detail of
crackle
resist
design*

Styles include watercolor, crackle resist, and stamping, with one color or multi-color options. Edges are sewn twice for stability.

- Cotton/polyester blend for ease of laundering
- Quality textile paints
- Artistically painted
- One color or multi-color options
- Can be made to order
- Coordinate with other pieces in the line
